### THE "NOT SO" SMALL PRINT

Word of mouth is our secret weapon. A large percentage of our business comes through our existing customers. So of course, we put a lot of time and effort into customer service. We think of every touchpoint with a customer as an opportunity to shine, keep existing customers happy and create a relationship that fosters growth. ...simple right?

We run a very low cost business model and pass these savings on to our customers, sure we could have a flashy building in the inner suburbs that you may visit .. one day and salesman driving around all day burning petrol, however why should you have to pay for that?

### Dispatch

All goods dispatched from OLCT 99% of the time will be the same day payment is received. In general (be it post or airbag) goods are received within 2-3 days and can be tracked online at any stage. We have 2 main distribution facilities and satellite shipping centres around the country to reduce freight costs.

### Refund Policy

OLCT is committed to providing exceptional customer service and quality products, with our dedication to customer service we hope to ensure that you make the right decision during purchase, We offer refund on purchase price only (no freight) if returned within 7 days if complete, undamaged and in original packaging
