

SMOKE MACHINE REDLINE SMOKE PRO TECH MATE

Poor idle and no fault codes.. Now what?. We are all guilty of wasting too much time looking for something that turned out to be a vacuum leak. The OEM Approved Smoke Pro Tech Mate is the world's best-selling diagnostic leak detector.

No expensive fluids to buy

Simply uses baby oil.

No pumps to maintain or wear out

Uses shop air with its own internal pressure regulator.

Find More Repair Jobs

Find leaks and sell the repair to your customer with visual confirmation.

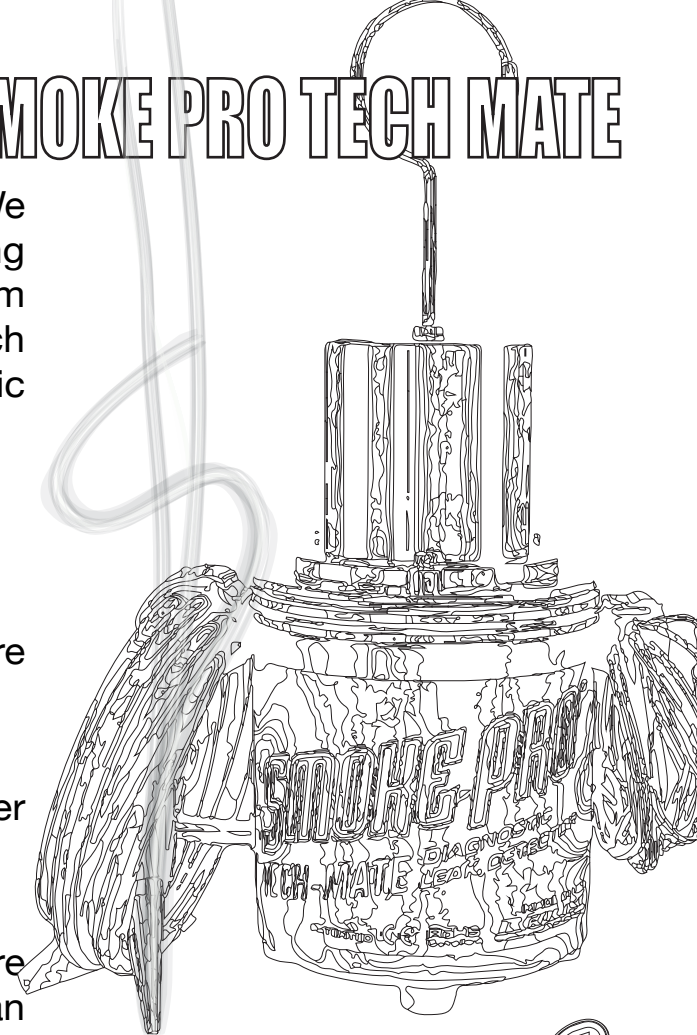

Greatly Reduce Diagnostic Time

One simple connection diagnoses an entire system in seconds so that technicians can repair more vehicles in less time.

Precise control, Pressure & Flow gauge

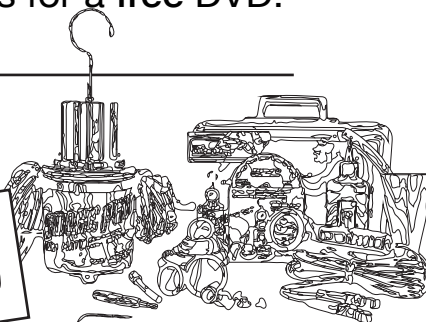

With the Smoke Pro you can ensure even minor leaks -like this injector O-ring leak are evident and measurable.
