

GTC CT8025 DIGITAL MULTIMETER

The CT8025 digital multimeter, features a state of the art ergonomic design and styling for easier handling for day to day use. Full control with manual range selection, and a large 3.5 digit LCD display.

Display:

- ✓ 3½ Digit LCD (Max reading 1999)
- ✓ 1/2"(12.5 mm) Digits
- ✓ High Voltage warning indicator
- ✓ Automatic(-) Negative polarity indicator
- ✓ Auto Zero
- ✓ Automatic Over Range Indication
- ✓ Low battery indicator

Power source:

- ✓ 9 Volt battery included

Test probes:

- ✓ 1000V/10A rated (IEC1010/EN61010 CAT II),900 mm long

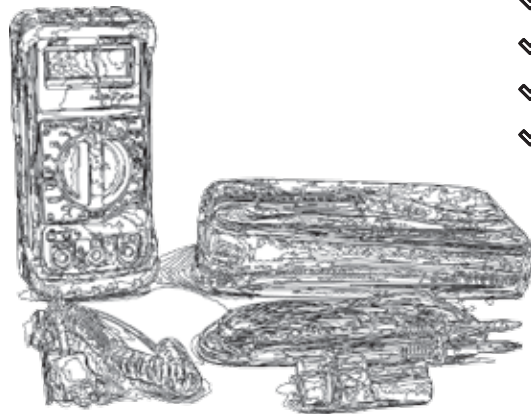

Electrical Specifications:

- ✓ DC Voltage: $\pm 0.25\% \pm 2$ dgts., 1M Ω input impedance, 600 V ac/dc Overload protection
- ✓ AC Voltage: $\pm 1.5\% \pm 5$ dgts., 450K Ω input impedance, 40 to 200 Hz, 600 V ac/dc Overload protection
- ✓ Resistance: $\pm 1.0\% \pm 3$ dgts., 250 V ac/dc Overload protection.
- ✓ DC Current: $\pm 1.0\% \pm 3$ dgts., Internal 10A/ 250V fuse protection
- ✓ Diode test: 1.4 \pm 0.6 mA test current, 3.2 V max. test voltage
- ✓ Continuity Test: 2.4 \pm 0.6 mA test current, 3.2 V max. test voltage
- ✓ Warranty: 1 Year

Kit Includes

- ✓ CT8025 Multimeter
- ✓ Soft Carry Pouch
- ✓ 2 x 0.9 m Test probes
- ✓ 1 x 9v alkaline battery
- ✓ K Type thermocouple probe
- ✓ Operation Manual
